

**Title**

Clinical Integration Registries and Reporting Information Systems (CIRRIS)

**Time/Date**

Original release date: July 1, 2009

Expiration date: November 30, 2011

Estimated time to complete the course: 1 hour

**Medium**

Internet Based – Computer Accessible Education Modules

**Topic Statement**

Clinical Integration Registries and Reporting Information Systems Point of Care® is an online application developed by Intelligent Healthcare for Advocate Physician Partners. CIRRIS will help physician practices with improved disease registry interfaces and reporting, expanded ability to access pharmacy claim data detail, and ability to access Clinical Integration progress reports online.

**Learning Objectives**

At the conclusion of this activity participants will be able to:

- Recognize the benefits of Clinical Registries and Reporting Information System
- Locate Clinical Integration Performance Summaries to obtain individual and PHO CI progress reports
- Use Patient Registries for better disease state and preventive care management
- Examine Pharmacy Reports to access utilization data

**Target Audience**

Advocate Physician Partners physician members

**Faculty:**

Donna Siemmons, RN, Director of Quality Improvement & Clinical Outcomes, Advocate Physician Partners

**Planning Committee:**

Mark Shields, MD, Senior Medical Director, Advocate Physician Partners

Judi Miller, VP, Medical Services & Clinical Integration, Advocate Physician Partners

Kenneth Henriksen, MBA, Director, Clinical Integration, Advocate Physician Partners

**Accreditation**

Advocate Health Care is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Credit Designation**

Advocate Health Care designates this educational activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.
